Subject: Possible Referral for your firm--Family of Jeffrey Fruman

Hi David,

A long standing client's son was found dead in his hotel room in Hong Kong on Tuesday. The son (42 years old) had a very successful international cable business and was in China meeting with manufacturers. He owns 6 companies (Massachusetts(2), Florida, Columbia, Peru, Mexico. He left 4 children (2 sets of twins) ages 12 and 10, wife, parents, sister and brother. A representative of the family is in Hong Kong to identify the body. They then will conduct an autopsy and hope to ship the body back home by the end of next week. He was found dead face down on a table in his room. The family would like to retain an attorney in Hong Kong to oversee the investigation and make sure that proper steps are taken to determine if there has been foul play. I understand your firm has a Hong Kong office. I am hoping that your firm can handle, but if not, refer us to a good attorney. The family is affluent and is willing to pay whatever is necessary for this representation. My role is Executor and Trustee of the decedent's estate. Please let me know tomorrow if possible because they want to get representation before the autopsy takes place. Thank you, Jay
